them to be examined without the necessity of removing them from the binding. This may be accomplished by proper folding or through the use of envelopes.

- (h) Binding. The Statement of Record shall be bound with the Property Report portion on top, including any documents which may be required to be attached when delivered to the purchaser, followed by the Additional Information and Documentation portion.
- (i) Advertising and promotional material. No advertising, or promotional material or statements which are self-serving on behalf of the developer or owner may be included in the Statement of Record or resulting Property Report.
- (j) Additional information. (1) In addition to the information expressly required to be stated in the Statement of Record, there shall be added, and the Director may require, such further material information, documentation and certification as may be necessary in the public interest and for the protection of purchasers or necessary in order to make the statements not misleading in the light of circumstances under which they are made.
- (2) The instructions are not all inclusive. The developer shall include any other facts which would have a bearing upon the use by the purchaser of any of the facilities, services or amenities; which would cause or result in additional expenses to the purchaser; which would have an effect upon the use and enjoyment of the lot by the purchaser for the purpose for which it is sold or which would adversely affect the value of the lot.
- (k) Modification of format or content. The Director may require or permit modification to the content and format of the Property Report to include additional information, to modify or omit required information, or to change the sequence or position of information when such changes are deemed to be in the public interest or for the protection of purchasers.
- (1) Required documentation. Where the documentation required by the Statement of Record cannot be obtained, the Director may permit the best available alternative documentation to be substituted.

(m) Final version of property report. On the date that a Statement of Record becomes effective, the Property Report portion shall become the Property Report for the subject subdivision. The version of the Property Report delivered to prospective lot purchasers shall be verbatim to that found effective by the Director and shall have no covers, pictures, emblems, logograms or identifying insignia other than as required by these regulations. It shall meet the same standards as to grade of paper, type size, margins, style and color of print as those set herein for the Statement of Record, except where required otherwise by these regulations. However, the date of typing or preparation of the pages and the ILSRP number shall not appear in the final version. If the final version of the Property Report is commercially printed, or photocopied by a process which results in a commercial printing quality, and is bound on the left side, both sides of the pages may be used for printed material. If it is typed or photocopied by a process which does not result in a clear and legible product on both sides of the page or is bound at the top, printing shall be done on only one side of the page. Three copies of the final version of the Property Report, in the exact form in which it is delivered to prospective lot purchasers, shall be sent to ILSRP Office within 20 days of the date on which the Statement of Record, amendment, or consolidation is allowed to become effective by the Director. If a Property Report in a foreign language is used as required by §1011.25(g), three copies of that Property Report together with copies of the translated documents shall be furnished the Director within 20 days of the date on which the advertising is first used. A Property Report prepared pursuant to these regulations shall not be distributed to potential lot purchasers until after the Statement of Record of which it is a part or any amendment to that Statement of Record has been made effective by the Director.

While the developer may disclose relevant facts about completion, the obligation to complete cannot be conditioned, other than as provided for in §1011.15(f), and an estimated completion date (month and year) must be stated in the Property Report. However, a developer that has only tentative plans to complete may so state in the Property Report, provided that the statement clearly identifies conditions to which the completion of the facilities are subject and states that there are no guarantees the facilities will be completed.

(b) If a party other than the developer is responsible for providing or completing roads or facilities for water, sewer, gas, electricity or recreational amenities, that entity shall be clearly identified in the Property Report under the categories described in §1010.110, §1010.111 or §1010.114, as applicable. A statement shall be included in the proper section of the Property Report that the developer is not responsible for providing or completing the facility or amenity and can give no assurance that it will be completed or available for use.
